
Coyote Helped Light World

navajo creation - the big myth - before this world existed, the first world lay in darkness and emptiness with the exception of six beings. they were first man, first woman, salt woman, fire god, coyote and begochiddy, the child of the sun. **earth, moon & sun - mueller planetarium** - planets, morehead planetarium and science center, university of north carolina at chapel hill, nc 27599 © 2010, 2011 by morehead planetarium and science center 1
